Spelling Activities

Choose the number of words (x) according to how fast the student is at working.

1. Choose (x) words from the list and ask the student to write each one in a sentence.
2. Choose (x) words from the list and jumble the letters. Ask the student to guess the words and write them correctly.
3. The student can make (x) words with cut-out letters.
4. Write sentences with words missing (words from the list). The student has to guess the missing words and fill them in.
5. On the last day of the week, give a spelling test.
