

Conjunctions

Grammar Year 6

Combine each pair of sentences using a conjunction from the word bank.

after before although whenever while once since until unless as if

1. We will eat dinner. We arrive at our friend's house.
2. He was carefully painting the room. We owned the house.
3. I love the house. I wish it were closer to my school.
4. She was singing a song. She was skipping to the park.
5. They will move to a new house. They leave in November.

Combine each pair of sentences by using a conjunction. This time rearrange the sentences so each sentence STARTS with a conjunction.

e.g. After the party was over he went to sleep.

1. Mum drove the car. Dad was away.
2. My Mum was watching her favorite show. She was cooking dinner.
3. He didn't catch any fish. He didn't have any bait.
