

Serving through gifts and talents: Outcomes and activities

God is a Servant Year 4

Spiritual Awareness: Be faithful in little things

God has given each one of us different gifts and talents. It is our responsibility to develop these gifts and talents so that we may use them to serve God and others. Using our gifts and talents for God is being faithful to the One who gave us these abilities in the first place. It is important to use our gifts and talents with humility.

Values: Our response to 'God is a Servant'

- **Service:** follow the example of Jesus, the greatest servant
- **Helpfulness:** being willing to help others and put others before our own
- **Appreciation** of people who serve through their occupations
- **Humility:** thanking God for our gifts and realizing that we are not better than anyone else; we all have different gifts

Outcomes: Students will

- identify occupations within the community and the way in which these occupations serve us
- identify particular skills and talents displayed by people working in professions
- identify personal strengths and weaknesses and to list ways of developing or improving these
- identify strengths in others and to encourage others in their abilities
- understand the importance of encouraging those who lack skills in certain areas
- identify ways of using personal gifts and talents for God, with humility

Art Year 4

God is a Servant

Topic: Gifts and talents

Biblical connection

The story of the talents reminds us that God expects us to identify, develop and use the gifts and talents He has given us, for His glory, and to serve Him.

Bible art as a wall display: the story of the talents

Colossians 3:23 Whatever you find to do, do it with all your heart.

Expressing gifts and talents through visual art

This theme can be an opportunity for students to find and develop their creative talents. Provide students with a variety of art materials, and give opportunity for a variety of art forms, such as painting, drawing, construction, threads and textiles, collage.

Also use this theme to allow students to make gifts for others.

The study on diligence in week 4 is an opportunity to apply diligence to art or craft projects that require much patience and precision, e.g. small dot painting; sewing projects

Studying artists and art work who have used their gifts and talents

This is an opportunity to study art work of talented and famous people. The study can extend to architecture.

A challenging example is the art of handicapped people who have lost the use of their arms and take up painting with their foot or mouth. One such painter is the Christian, Joni Eareckson, (Biography can be revised from Term 1 God is Love).

God knows us

God knows us better than anyone because He made us.
He knows how many hairs are in our head.
He knows what we are good at, and what we are not good at.

Read and write out Luke 12:6-7.

We don't have to be good at everything

God loves us for who we are.
God can help us get better at the things we are not good at.
Maybe there are some things we will never be good at.
That's OK. Trying your best is all that matters.
Think about the things you *are* good at. These are your special gifts from God.
Work on your gifts so that you can serve God in a really special way.

God made you to be the person you are.
He did not make a mistake when He made you.

You created every part of me; you put me together in my mother's womb...When my bones were being formed, carefully put together in my mother's womb, when I was growing there in secret, you knew that I was there – you saw me before I was born. (Psalm 139)

Before I formed you in the womb I knew you; before you were born I set you apart. (Jeremiah 1:5)
