

# Bob the Bee Keeper

1

This is Bob. He keeps bees.

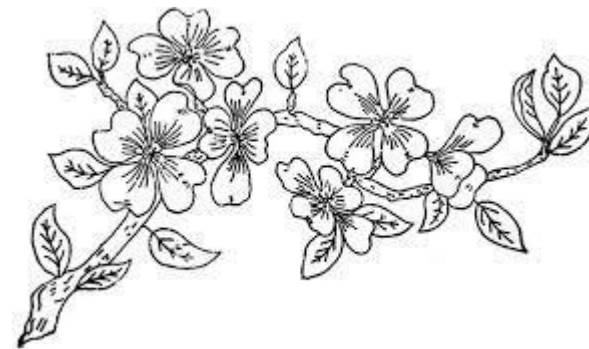

2

He sets up his bee hives under the apple tree.

Level 6

3

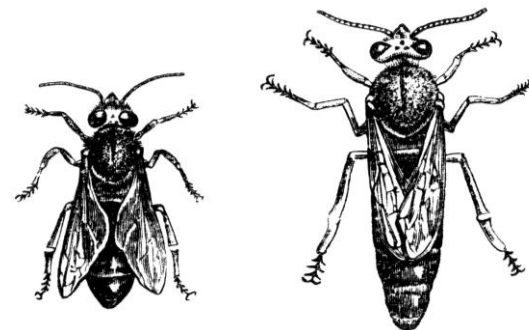

In the Spring there are flowers on the apple tree.

4

The bees are busy. They get the sweet nectar from the flowers and make honey.

5

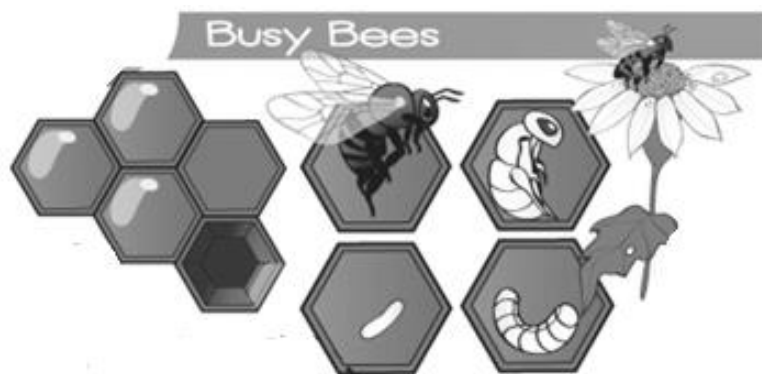

Worker bee

Queen bee

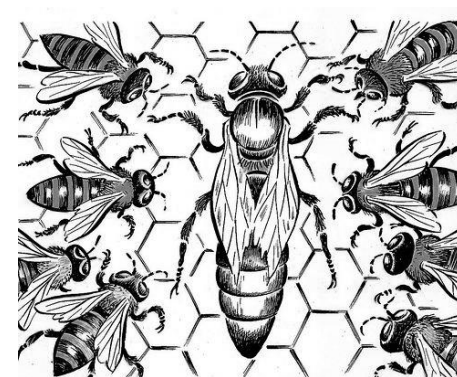

There are lots of bees in the bee hive. They all look after the queen bee.

6

The queen bee lays eggs and soon there are baby bees.

7

The bees in the bee hive feed the baby bees with the honey they make.
