

Red Rooster

1

Red Rooster lives in a chicken coop with Madam Hen and six chicks.

2

At night, when Madam Hen and the chicks are asleep, Red Rooster sits by the light of the moon.

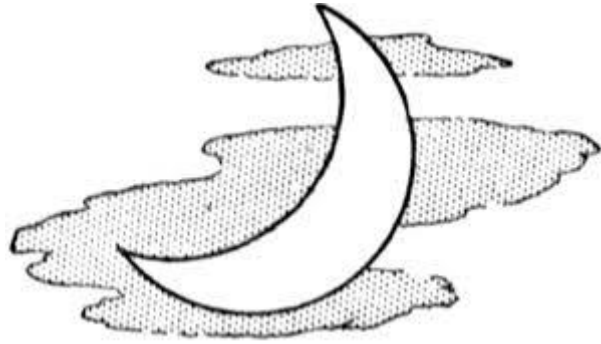

Level 8

3

“Cock-a-doodle-doo,” he calls, by the light of the moon.
“Go to sleep,” says Madam Hen,
“You will wake the chicks!”

4

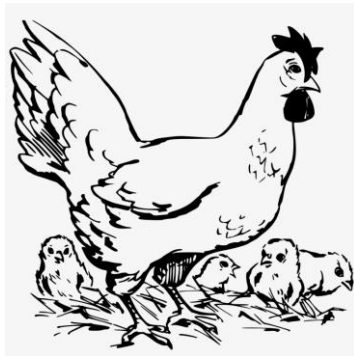

“Cock-a-doodle-doo,” he calls.
Red Rooster will not stop. The
moon is still out. It will be
morning soon.

5

Mrs. Farmer comes out with her
broom.
“Stop Red Rooster, or I will hit you
with my broom!” she says.

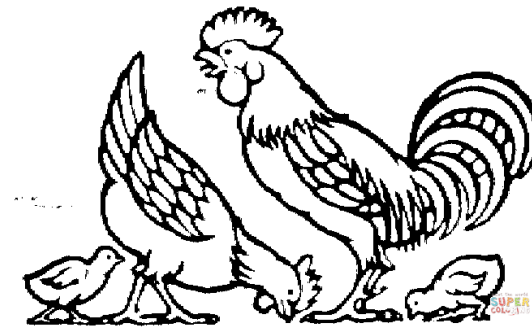

6

Red Rooster stops.
“Thank you,” says Madam Hen.
“But now it’s morning and I have to
get food for my chicks.”

Level 8

7

“Can you help me?”
“No,” says Red Rooster. “I have to
sleep now. It’s time for me to
snooze.”
