

Plant or animal?

There are lots of animals.

A pig is an animal.

A fish is an animal.

**A bird is an animal.
A spider is an animal.**

**A butterfly is an animal.
A frog is an animal.**

There are lots of plants.

A tree is a plant.

A flower is a plant.

**Most animals can move about.
A cat can run and walk.**

**A fish can swim.
A bird can fly.**

**Most plants do not move about.
They have roots to hold them in the
ground.**

**Most plants have green leaves.
But some plants are not green.
Sea weed can be red or brown.**

Animals can be any colour. Some birds are green. Some fish are yellow.

**Some butterflies are blue.
Some spiders are black.**

**God made plants and animals.
He made people too.
People are very special to God.**
