**Counting in Fiji**

1

**1 = Dua 2 = Rua**

One swaying coconut tree.  
Two dancers smile at me.

2

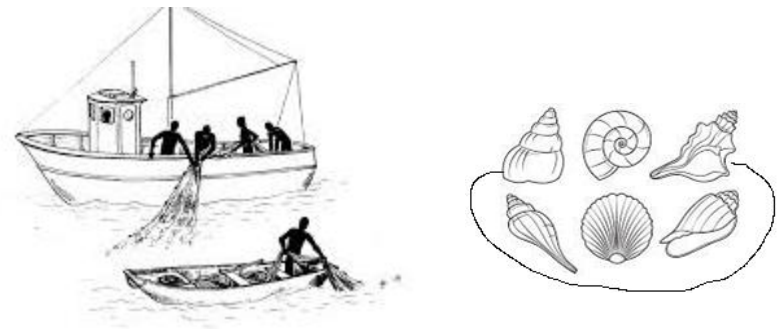

**3 = Tolu 4 = Va**

Three parrots are squawking  
and four children are talking.

3

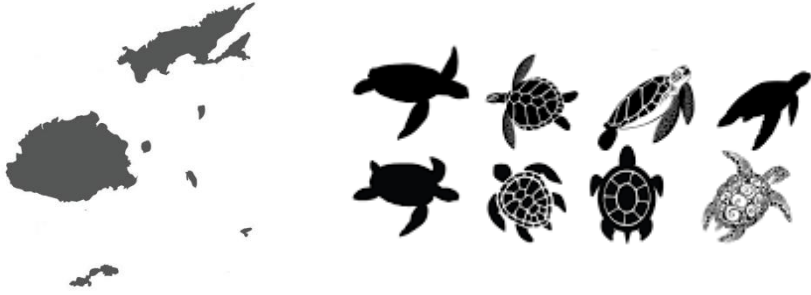

**5 = Lima 6 = Ono**

Five friends are catching fish.  
I see six sea shells in a dish.

4

7 = Vitu 8 = Walu

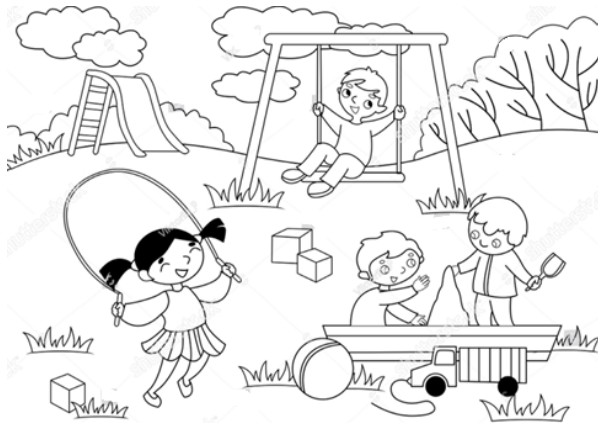

Seven islands I can see  
and eight little turtles play with me. 5

9 = Ciwa 10 = Tini

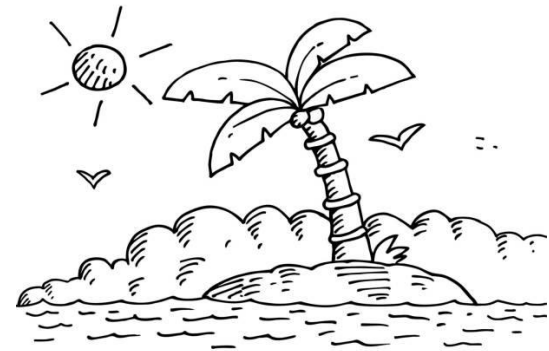

Nine beautiful fruits on a plate.  
Ten children patiently wait. 6

They tell stories of the fun they had today  
and think of games they like to play.

7

We hope you enjoy our island fun  
and count some more in our home in the  
sun.
