

Year 3 Truth

Creative cooking 1

Create an ice-cream making machine using milk, ice, and sugar.
Draw your invention.

Creative cooking 2

Your bar of chocolate is melting and turning to liquid.
Think of 3 ways to stop it melting.

Creative cooking 3

You have 3 ingredients:
A liquid (water)
A solid (sugar)
A gas (air)

Name and describe what you will make.

Creative cooking 4

Invent a delicious type of tea made from hot water and some kind of plant.

Creative cooking 5

Invent a recipe using 3 edible solids.

Creative cooking 6

Invent a delicious drink using 3 liquids.
