Topic: Rules, customs and laws

Duration: 4 weeks

Spiritual Awareness

Wisdom in following rules

There is wisdom in following rules within society. When people work together by obeying rules, communities become safer and more ordered. God has given us rules for Christian living. As we obey these rules we will be happier people and be able to share His love with others.

Protection through obedience

The Bible is our guidebook for life. It contains the rules and laws to be followed for life of safety and security under God's protection. There is a direct relationship between safety and obedience. When we obey God and follow His will for our life, then He promises to shelter us. However when we remove ourselves from His care, and disobey, then we remove ourselves from His protection. This topic is linked with wisdom. There is wisdom and protection in obeying God's laws.
