

# God is Pure and Holy

Children can get a glimpse of God's purity by gaining an understanding of Heaven. This can be obtained by a study of Revelation 21 and 22. There in the Holy City we find references to streets of pure gold, water of life as pure as crystal, costly crystal clear jasper stone, other precious stones and the bright light of God's presence. (For a full study on this topic see *Themes for Christian Studies 4, Pure.*)

**Topic:** Heaven, precious metals and gemstones

**Subject:** The Holy City, using paint and collage materials including sequins to represent jewels.

# GOD IS PURE AND HOLY

Our topic is: Light

We learned that:

God created the sun to give us light.  
Plants and animals need sun to stay alive. So do we!

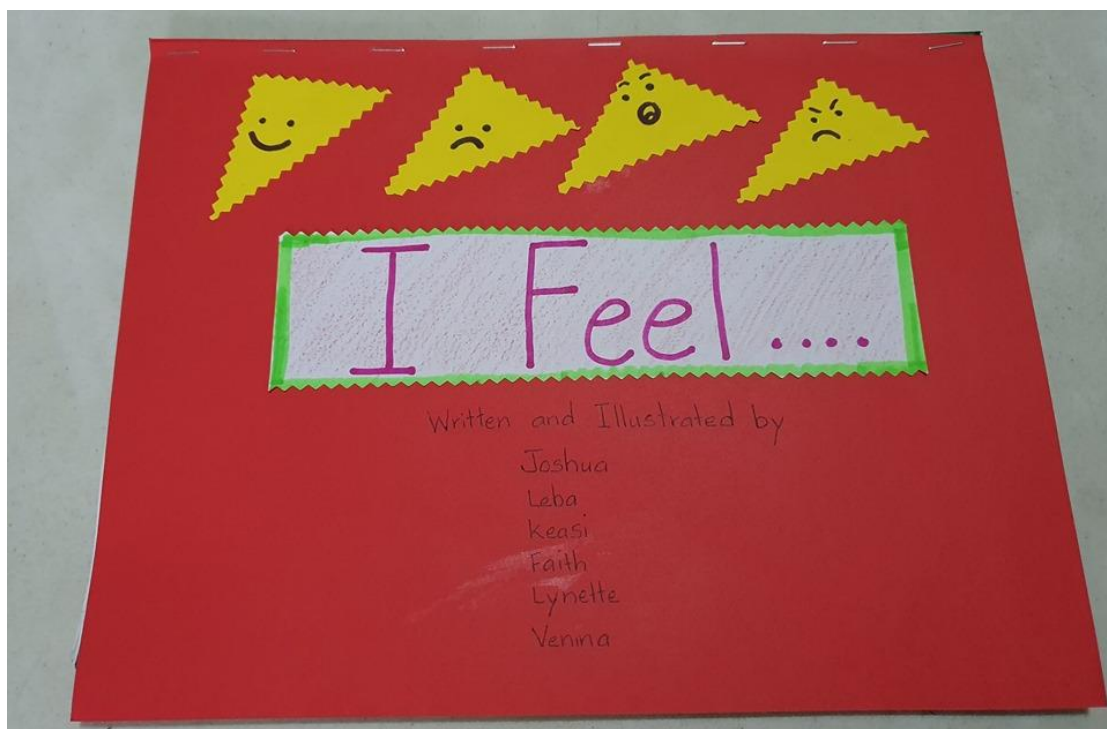

Light can be reflected.  
Light can split into colours to make a rainbow.

We can have God's light inside us.  
God's light is **GOODNESS**.

1 John 1:5 God is light and there is  
no darkness at all in Him.  
1 John 1:7 Walk in the light as He is  
in the light.
