

Baby chicks

1

Mother hen is sitting on her nest.
She is sitting on five eggs.

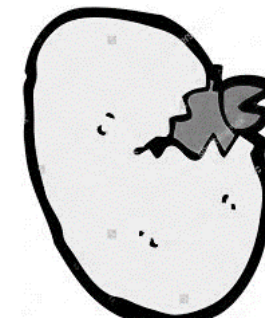

2

She keeps the eggs warm with
her soft body.

Level 8

3

After some time, mother hen feels
something. A little chick wants to
come out of its egg. The little
chick pecks at the shell.

4

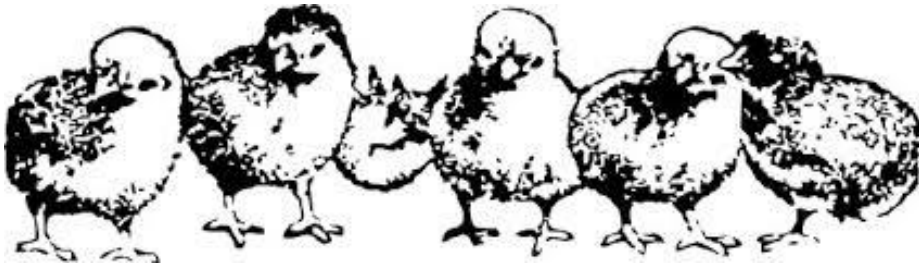

A little head comes out. Then his body comes out. Mother hen has one new chick.

5

Now some more eggs are cracking open. More chicks come out.

6

Soon mother hen has five fluffy baby chicks.

Level 8

7

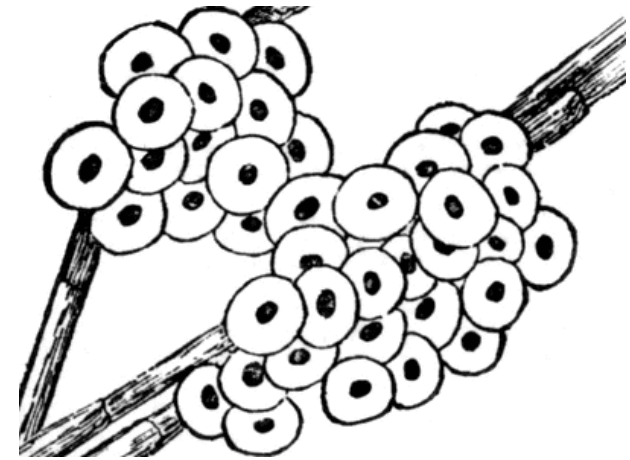

She looks after her chicks. They stay with her. When they want to rest they go under mother hen's wings.

Frogs

1

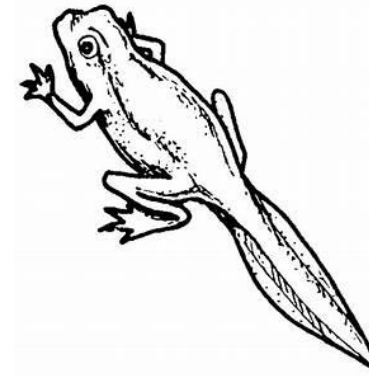

Here are some frogs eggs. You can often find them in a pond.

2

Tadpoles come out of the eggs. Tadpoles have long tails. They can swim.

3

The tadpoles grow four little legs. The tadpoles are now froglets.

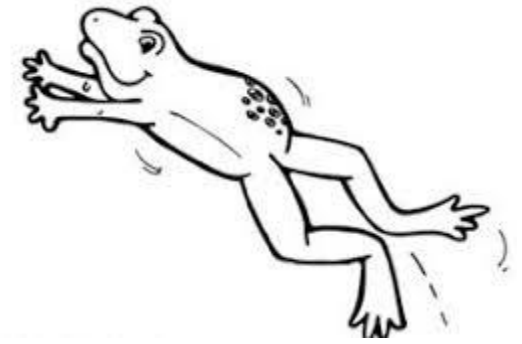

Level 8

4

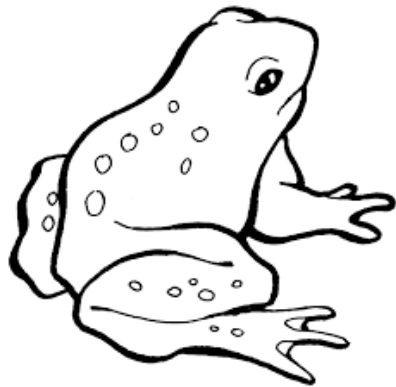

The froglets grow and grow. Their tails get smaller and smaller.

5

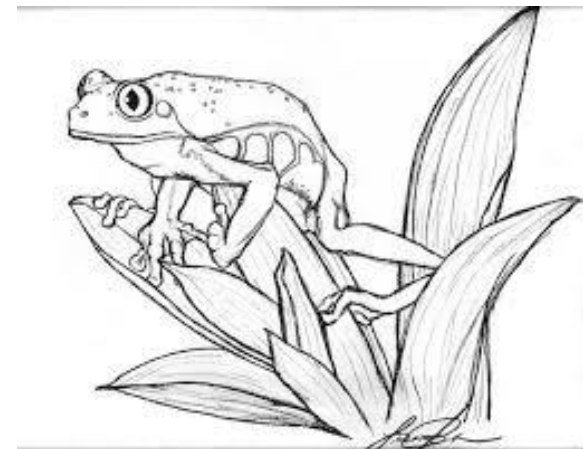

The froglets are now frogs. A frog can swim and leap and jump. Frogs eat insects.

6

Some frogs are brown. Some are yellow with black stripes. Some have spots.

7

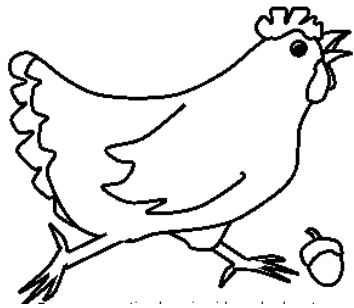

Frogs can be hard to see. They blend in with the colours and shapes around them.

Henny Penny

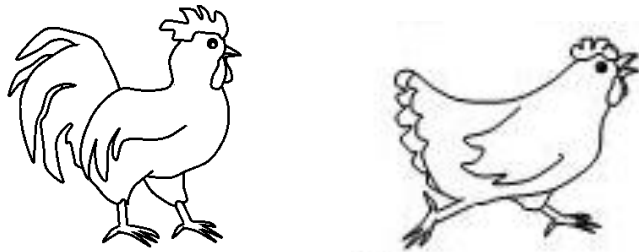

Henny Penny was walking along when some nuts fell on her head.

1

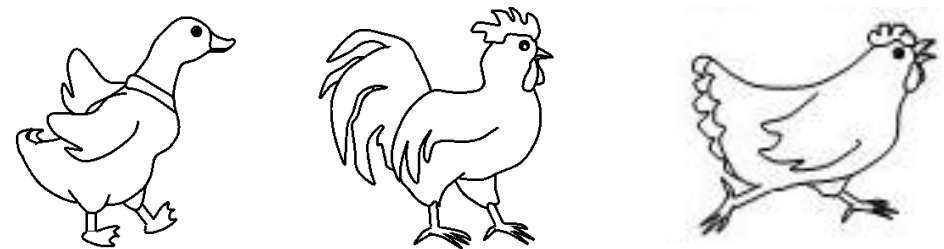

“The sky is falling! The sky is falling!”
she said.
“I must go and tell the king.”

2

On the way she met Cocky Locky.
“Come with me,” she said. “We must
tell the king that the sky is falling.”

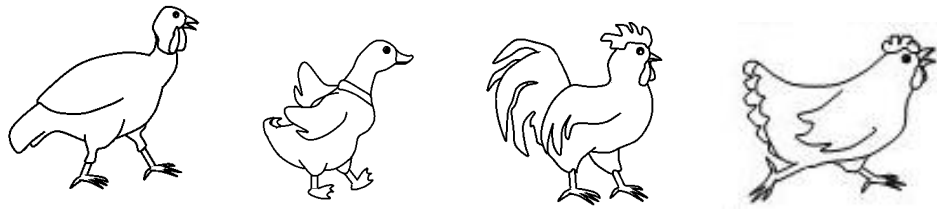

3

On their way they met Ducky Lucky.
“Come with us,” they said. “We must
tell the king that the sky is falling.”

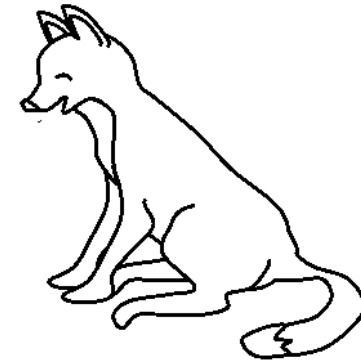

Level 8

4

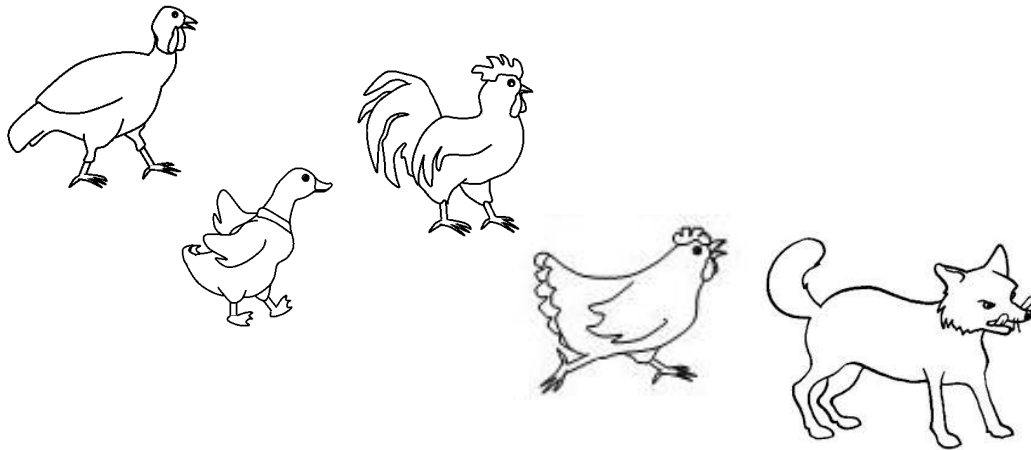

On their way they met Turkey Lurkey.
“Come with us,” they said. “We must
tell the king that the sky is falling.”

5

On their way they met Foxy Loxy.
“Come with us,” they said. “We must tell
the king that the sky is falling.”

6

“Yes I will go with you,” said Foxy Loxy.
“I will show you the way.”

Level 8

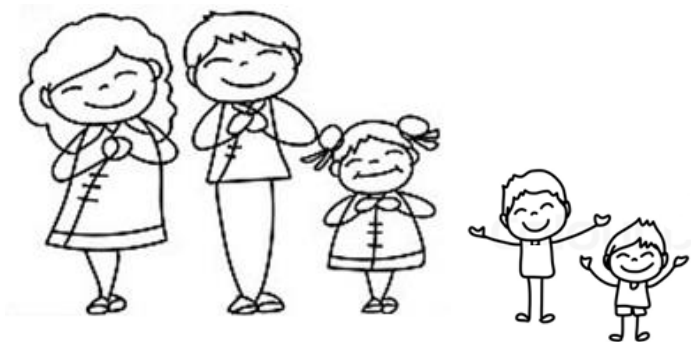

7

But Foxy Loxy did not take them to the
king. He took them to his cave. That was
the end of Henny Penny, Cocky Locky,
Ducky Lucky and Turkey Lurkey.
