

Poems of Inspiration

His Love

His love reaches out far and wide
Across oceans and seas the same
His love is everlasting
And always stays the same
His love reaches out to you and me
For He gave His life for us
His love is always selfless
A never ending love
We need to take that love He gave
Out into this world
Many people need the love
Of the Savior of this world
So take His love and shed it abroad
To everyone you meet
And as you dwell in His great love
You will never know defeat

Loving Him

Loving Him is easy when you put your faith
in Him
He's always there beside you cheering and
encouraging you on
He is the living Son of God who won the
victory
Over sin and death and hell it's self all to
set us free
His love is everlasting until the end of time
He only wants the best for us He will never
let us down
His love it reaches far and wide so it's easy
to love Him still
As we walk and talk each day with Him we
can't help but love Him still
His love it reaches out to us no matter
where we are
No matter even what state we're in He will
always show He cares
So take Him by the hand today and walk
so close to Him
Rewards are waiting just for you as you
surrender unto Him

Our Anchor

Christ is the anchor we need in life
The anchor that holds us fast
Fast to our faith in Him alone
He will always do what's best
So often we struggle and strive on our own
Instead of leaning on Him
But He patiently waits for us to come
Back into His fold again
He loves each sheep and lamb the same
Knows everyone by name
That includes you and I my friend
Even when we stray
So fasten yourself to this anchor
Which is Jesus Christ our Lord
Never to walk alone again
For He is your Saviour and Lord

Dwelling In Him

How lovely is your dwelling place, oh Lord
my God
My soul longs and faints for your courts
My heart and my flesh cry out to you
Teach me your ways oh Lord
I'd rather be a doorkeeper in your house
Than to dwell in the wicked's tent
For you are my sun and protective shield
And I'm covered by your love
For you oh Lord forgive my sin
You're full of mercy for all
And in the day of trouble
You will always hear my call
Teach me to trust you more and more
Teach me to walk in your truth
I will praise you with all of my heart oh
Lord
Giving honour and glory to you

Run Into You

You are my strength my Lord and God
To you I will cry in the night
When struggles come and I'm battling
alone
To you oh Lord will I run
For you are my strength, you are my rock
The hope on which I stand
I run into you when all is lost
For you are my loving home
I'll run into you my Lord and my King
For I know you will comfort me
Oh praise you Lord for you are my
strength
My rock and my fortress, my friend
You will lift me up and lead me on as I put
my trust in you
Oh precious, blessed Savior, my love is all
for you

Peace

Lord I try so hard to trust
And I know many Scriptures well
But when it comes to the crunch I falter
and fall
And try again on my own
You know my heart is to love you more
And to walk every day with you
So Lord I surrender my all to you
Lift me up much closer to you
You know My child I love you so
I see how you struggle and strive
So take My hand and walk with Me
By still waters we will abide
Peace is what I give to you peace to the
depth of your soul
Life in Me is all you need for I will make
you whole

Precious Child

I'm here for you my precious child, here
for you each day

When you wake I am here beside you I will
be with you all day

Walk beside Me and I will give, peace to
fill your heart

When troublers come rely on Me,
surrender with all your heart

As you surrender your all to Me I will fulfil
your dreams

I need you free from worries and cares to
fulfil your life in Me

Life abundant, rich and free is what I came
to give

So come My child and surrender now, new
life is what I give

This life is freely given, so freely, freely
receive

Receive from the heavenly throne above,
love so rich and free

Faith

Walking with Jesus along life's road

Is such a blessing to me

He's taken me through so many trials

Showing me how life can be

Faith only needs to start quite small

Small as a mustard seed

And as we water it with God's Word

It will grow continually

As we step out in faith despite the trials

He will guide us on our way

He will never, ever leave us alone

As we stay faithful every day

Healing Power

Jesus came to heal the sick
To heal the lame and blind
He made a paste out of the dust
To heal a blind man's eyes
His ways were not traditional
For which He caught some flack
But He sought to do His Father's will
Tradition didn't hold Him back
And we can do the things He did
In the power of His Name
By speaking His Word and trusting in Him
For it's His power that heals within
His power it heals the broken still
As we pray for them each day
Be ready to be used of God for them
So they'll know His power today

Storms Will Pass

He will make a way for us all through the
storms of life
For the storms will come and the winds
will blow but He's our anchor in life
Storms may toss us all about and winds
blow us to and fro
But when our anchor holds on the solid
rock
We will stand on Christ alone.
He'll never leave a child of His floundering
on their own
So when we call on Him alone we'll be
safely anchored down

The storms will pass and the winds will
cease and we will surely know

In Christ alone we stand quite firm and
we'll conquer every foe
