Year 6 Science, Social Studies, Health Assessments

God is Love

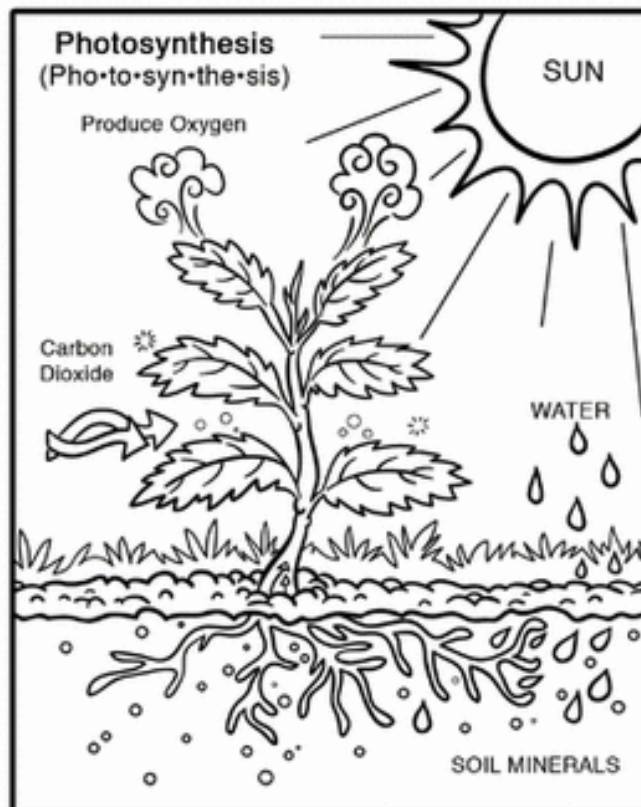

People of the Pacific Islands Assessment

Research one country from the Pacific Islands and present this as a project to the class. (The teacher will make sure that a full range of countries has been covered.) You can work in pairs, or as a group.

God is Provider

Plants, soil and earthworms Assessment

1. Use this diagram to explain in words what photosynthesis is and how it works.

2. Explain the value of earthworms to the soil.
3. Describe three different types of soil.

10 marks per question

God is our Saviour

Countries of the Middle East Assessment

Choose one country and its culture – either Israel or Egypt, and present information as follows:

- Set out the project with headings or questions.
- Include at least one map.
- Include information written in your own words.
- Include drawings.

Separate marks can be given for each of the above categories.

God is Pure and Holy

Light and the eyes Assessment

Study the research card 'Light and the eyes'

1. Draw a diagram to show how light rays can be reflected or refracted.
2. Explain the meanings of transparent, translucent and opaque.
3. Draw an eye and label the parts.
4. Which modern device is like the eye?
5. What is an 'optical illusion'?

2 marks per question: **Score /10**

God is Creator Assessment

Animals: creators and builders

Write a report on one animal that is a creator or builder.

- Set out the project with headings or questions.
- Include information written in own words.
- Include drawings.
- Explain any problems there might be for this animal, e.g. danger of extinction, mis-treatment by humans, destruction of habitat

Separate marks will be given for each of the above categories.

God is Wise Assessment

Health and Fitness Assessment
