

**When I am sick**

1

I don't like being sick.

2

I can't run around outside.

3

I can't shout because my head hurts.

4

I can't climb in the playground.

5

I have to lie in bed. Oh, I feel awful!

6

We all get sick sometimes.  
But we don't have to stay sick.

7

We were made to be healthy.  
I like to feel well!
