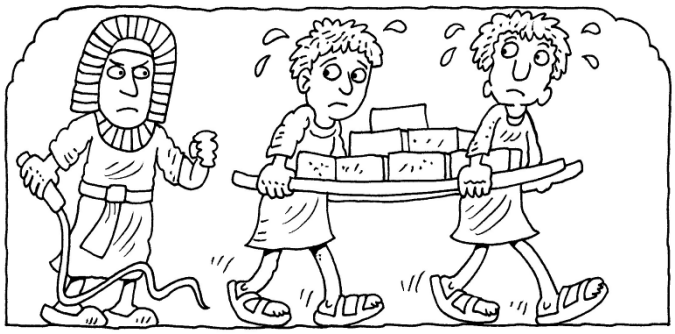
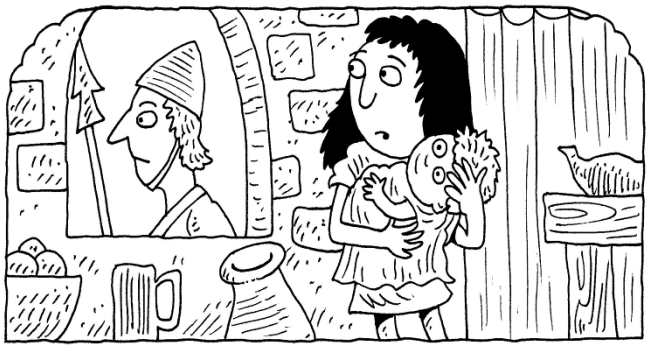
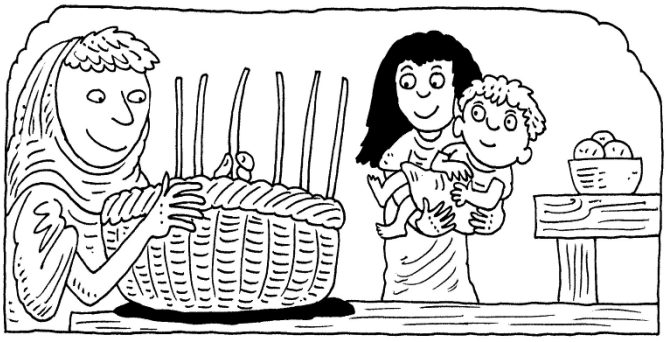
God answered the prayers of his mother
and saved baby Moses.
God had a special plan for Moses
to save his people when he grew up.



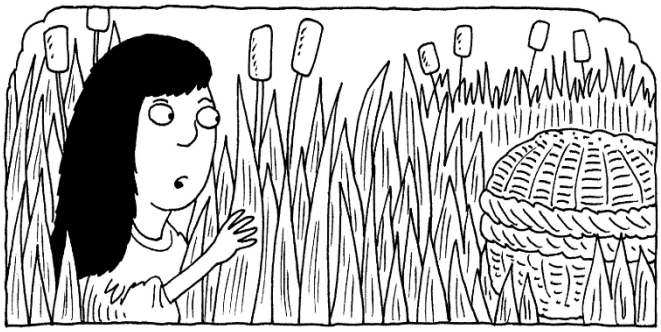
The children of Israel grew up to be big
and strong and had to work hard for Pharaoh.
King Pharaoh said, "I will take away all the
baby boys before they are stronger than me."



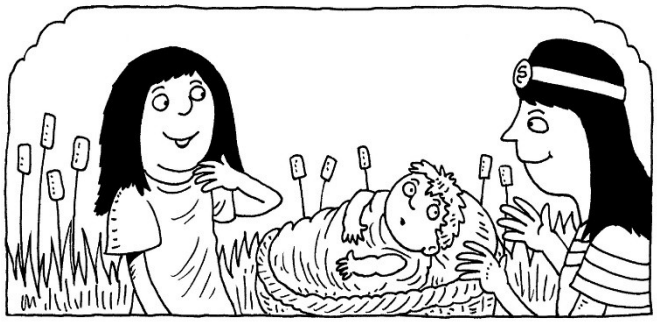
Miriam had a beautiful baby brother.
She looked out of her window.
When the soldiers came the family hid the baby
and prayed that God would keep him safe.



Soon their baby was too big to hide.
His mother made a special little bed, in a basket,
to float baby down the river Nile, to a safe place.
"God will look after him," she said.



She tucked him in the bed and he went fast asleep.
"God keep our baby safe," she prayed.
Miriam, his sister, watched nearby.
Then the baby began to cry.



Miriam saw a Princess come down to the river.
Princess found the baby and she loved him.
"I will call him Moses," she said.
"but I need someone to help me look after him."

Princess saw Miriam and sent her
to find a lady to feed the hungry baby.
Miriam ran home to get her mother and said,
"Princess needs you to look after the baby!"

When he was bigger Moses went to live
with the Princess, in King Pharaoh's Palace.
Moses always loved God with all his heart
and knew that God had kept him safe.
