

God is our

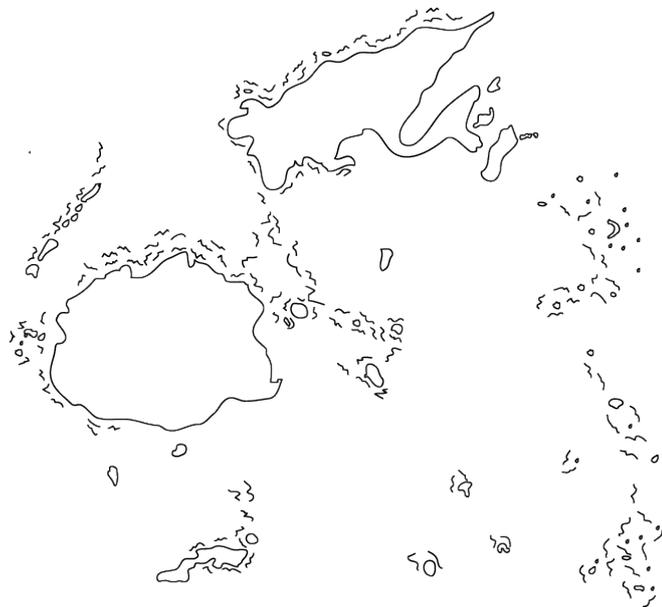

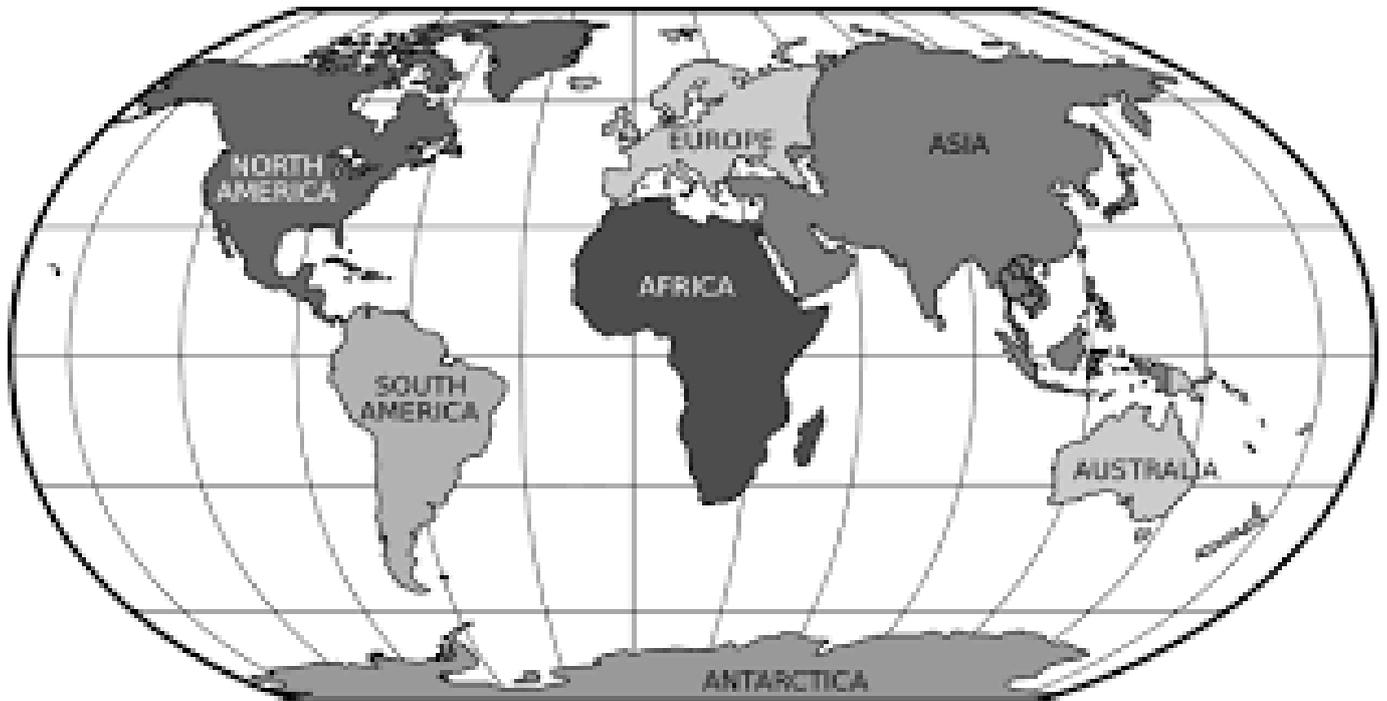

Saviour

My Country

Term 2

God is our Saviour

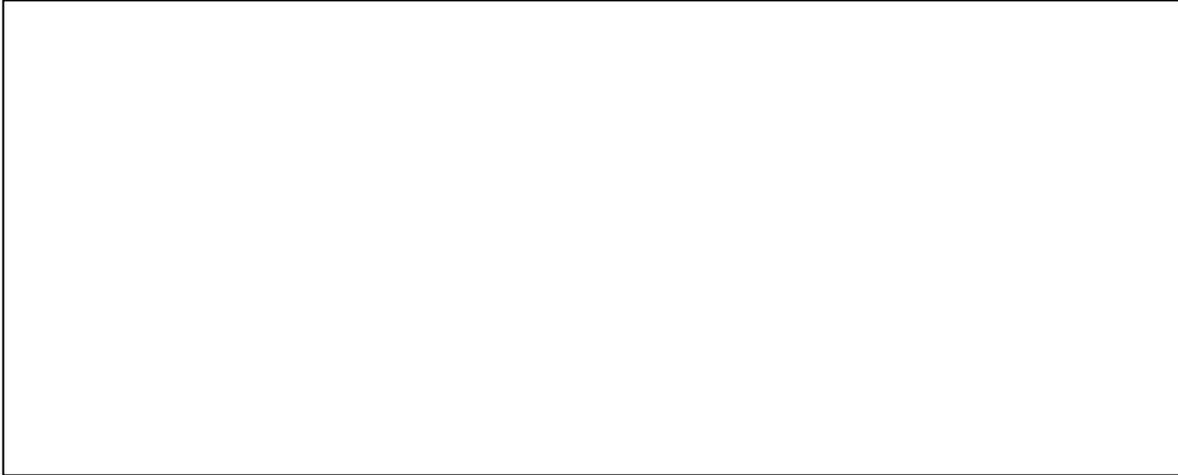

Where in the world is Fiji?

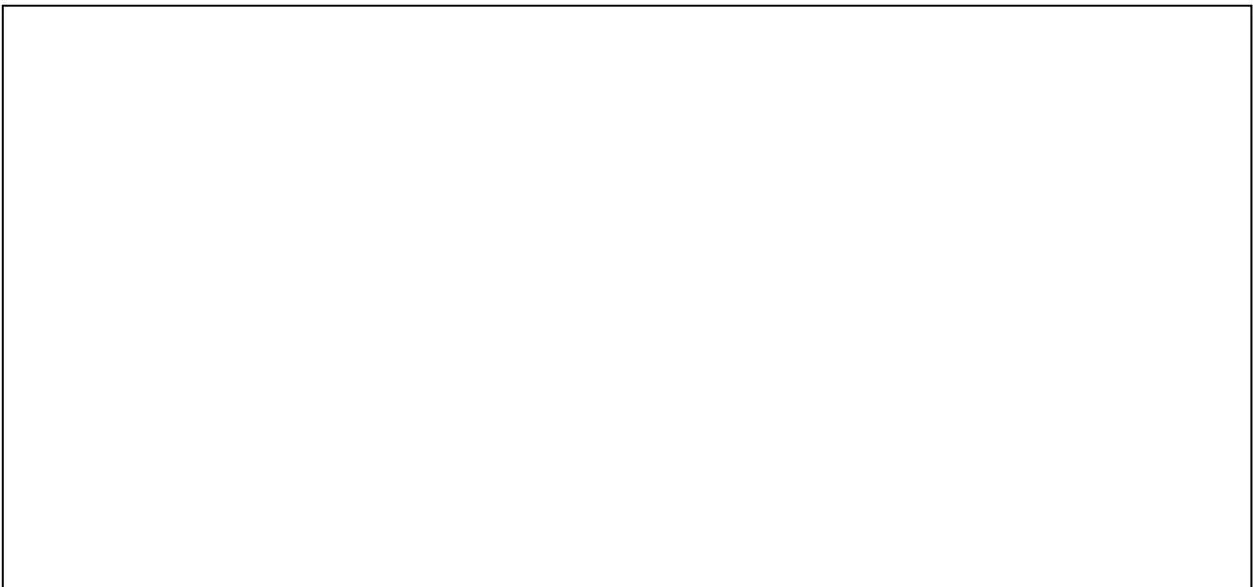

God loved the whole world so much, that He gave His only Son, Jesus.
John 3:16

Fiji my island home

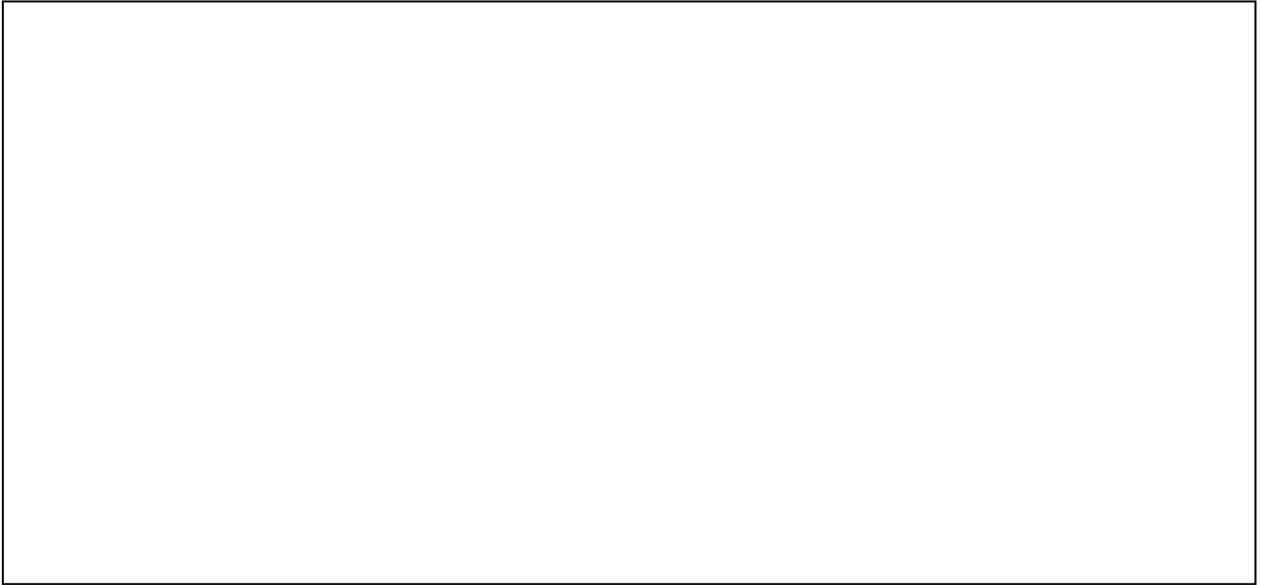

We live in a group of islands called Fiji.

We have clear skies and blue waters.

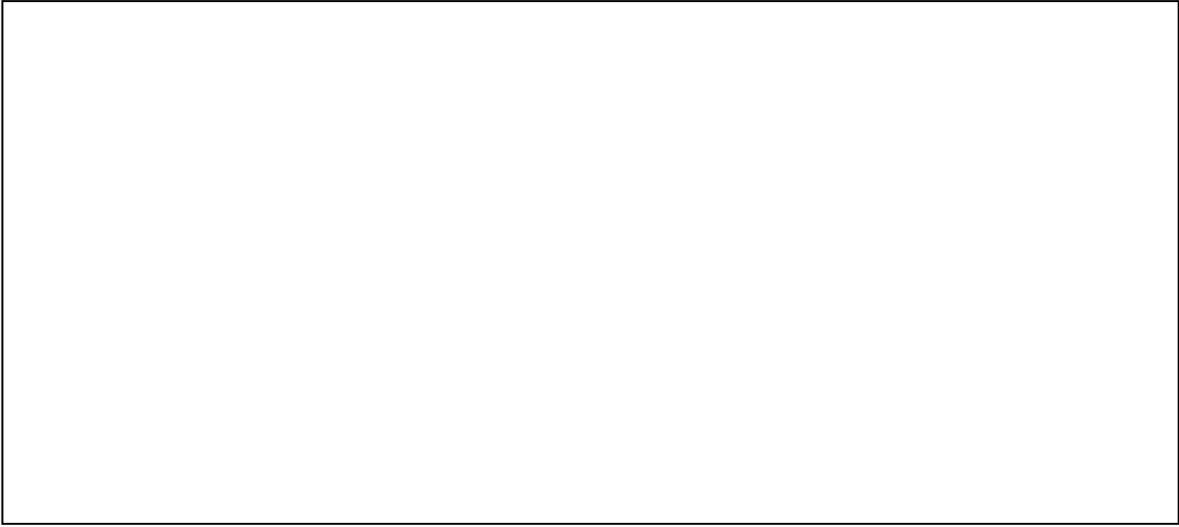

We have sandy beaches and mountains green.

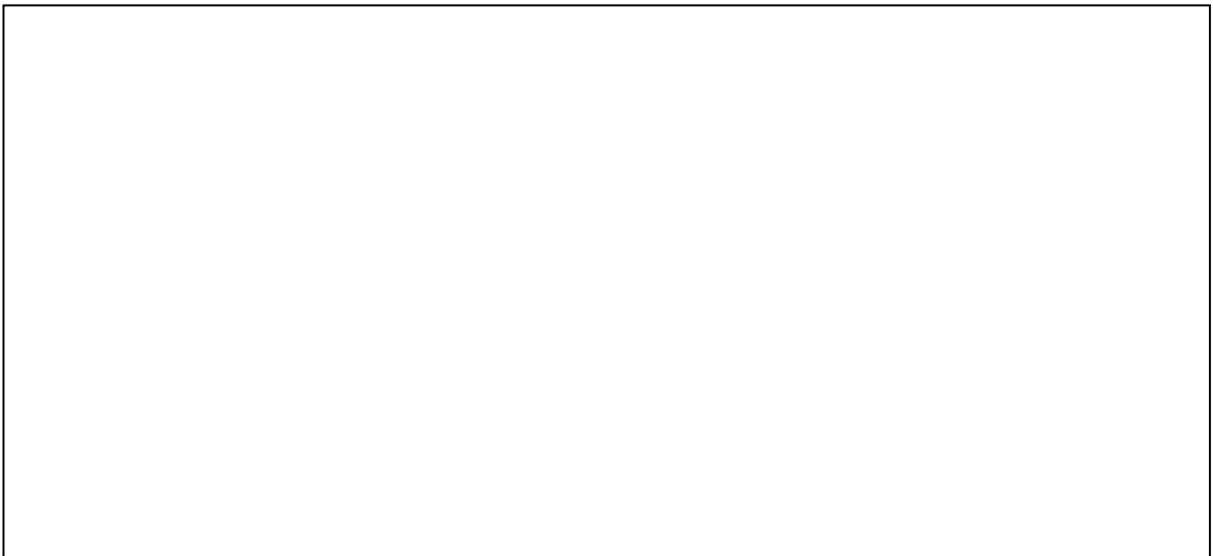

We have colourful flowers and fruits.

We welcome friends to our family.

We thank God for our country.

We are blessed in our wonderful island home.

Fiji

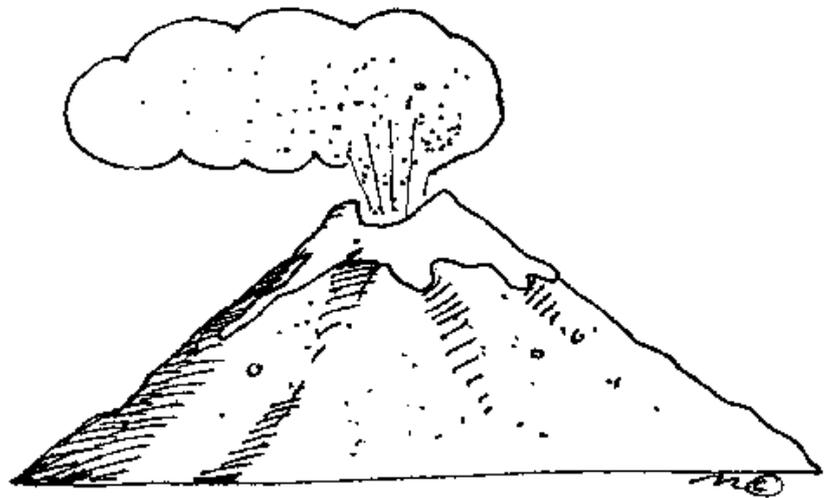

Fiji has many islands.

The islands were made during the big flood in the time of Noah.

The islands were made from volcanoes coming up out of the sea.

Copy the words and draw a picture for each.

volcano

An island is land with water all around it .
