God is Truth

Assessment

Present a short talk with a partner, on one of the following controversial issues in our society. Say why it is controversial. That is, say why some people would agree with the statement. Then say what God and the Bible would say about the statement.

- The Bible should not be taught in schools.
- In a free society people should be allowed to practice witchcraft.
- A child in the womb is not yet a human being, so the mother should have the right to abortion if she wants it.
- The earth is millions of years old.
- There is no life after death.
