Sample Running Records test **The Lion and the Mouse: Level 10 test**

One day a lion was sleeping in the sun.
A little mouse ran by.
The lion picked up the mouse and held
it by the tail.
“Please don’t eat me. Please let me go,” said the mouse. “If you let me go, I will try to help you one day,” said the mouse.
“How can a little mouse like you help a big lion like me?” said the lion.
The lion let the mouse go. The mouse ran away. He was glad that the lion had been kind to him.
One day when the lion was walking, he fell into a trap. There was a big net all around him. He could not get out.
Then the little mouse came by.
“I can help you,” said the mouse. “I will eat through the net so that you can be free.”
And that’s just what he did. The lion was free. The lion said “thank you” to the little mouse.

Comprehension questions: 1. How do you think the mouse felt when the lion picked him up by the tail? 2. What did the mouse say to the lion? 3. How did the mouse help the lion?
