

**Albrecht Dürer**

**And his magic square**

[www.beaconmedia.com.au](http://www.beaconmedia.com.au)

**On the wall to the right hangs the magic square Dürer created.**

**It looks like this.**

16	3	2	13
5	10	11	8
9	6	7	12
4	15	14	1

**And what is the magic?  
It is the number 34!**

**This number is the sum of the  
various fields within the magic  
square.**

16	3	2	13
5	10	11	8
9	6	7	12
4	15	14	1

**The sum of all rows is 34!**

16	3	2	13
5	10	11	8
9	6	7	12
4	15	14	1

**The sum of all columns is 34!**

<b>16</b>	<b>3</b>	<b>2</b>	<b>13</b>
<b>5</b>	<b>10</b>	<b>11</b>	<b>8</b>
<b>9</b>	<b>6</b>	<b>7</b>	<b>12</b>
<b>4</b>	<b>15</b>	<b>14</b>	<b>1</b>

**The sum of all corners is 34!**

16	3	2	13
5	10	11	8
9	6	7	12
4	15	14	1

**Move the fields one step clockwise  
and it is still 34!**

16	3	2	13
5	10	11	8
9	6	7	12
4	15	14	1

**Move the fields another step and it is still 34!**

16	3	2	13
5	10	11	8
9	6	7	12
4	15	14	1

**The sum of the fields in the center is 34!**

<b>16</b>	<b>3</b>	<b>2</b>	<b>13</b>
<b>5</b>	<b>10</b>	<b>11</b>	<b>8</b>
<b>9</b>	<b>6</b>	<b>7</b>	<b>12</b>
<b>4</b>	<b>15</b>	<b>14</b>	<b>1</b>

$$5 + 9 + 8 + 12 = 34$$

16	3	2	13
5	10	11	8
9	6	7	12
4	15	14	1

$$3 + 2 + 15 + 14 = 34$$

16	3	2	13
5	10	11	8
9	6	7	12
4	15	14	1

16	3	2	13
5	10	11	8
9	6	7	12
4	15	14	1

**The same is true for the diagonals...**

16	3	2	13
5	10	11	8
9	6	7	12
4	15	14	1

16	3	2	13
5	10	11	8
9	6	7	12
4	15	14	1

**And so on: 34!**

16	3	2	13
5	10	11	8
9	6	7	12
4	15	14	1

**Dürer created this square in 1514. “D” for Dürer is the 4th letter of the alphabet and “A” for Albrecht is the 1st!**

**Genius!**

**. . . He was very proud for creating this magic square – and he should be!**
