

Butterfly Blue

1

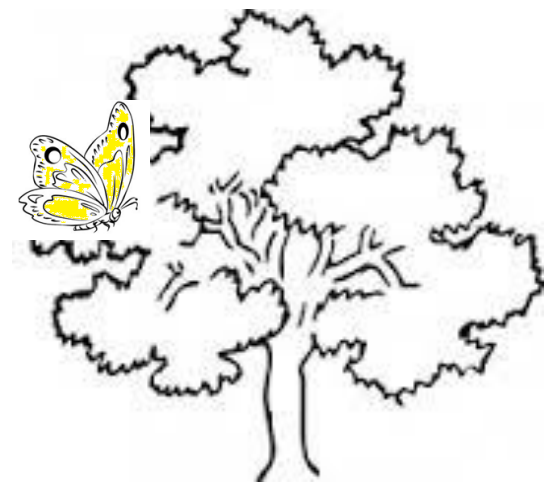

This is the story of Butterfly Blue.
A yellow one said, "Can I play
with you?"

2

"No," said Blue, "you can't play
with me." So Yellow flew
away as sad as can be.

3

Yellow flew off and cried in a tree.
But Blue was far away and didn't see.

Blue had fun flying low and high,
but she wasn't very kind to the
yellow butterfly.

5

Then one day Yellow came to see Blue.
She asked again, "Can I play with you?"

6

"Yes," said Blue. So off they flew.

7

They had fun together with so much
to do.
