

## 31. Aliens On Campus

Einstein sought a Unified Theory to explain the workings of the universe. There has been a quest across the ages to find a key to understanding the cosmos. Pilgrims sit around camp fires with mystical sages seeking wisdom, they travel to remote parts of the planet to meditate, some take hallucinogen drugs, and others spend decades in libraries and laboratories seeking this key.

It is a key that **you** hold! This key you carry on to your campus each day. The cross of the gospel is this much sought-after key, mysteriously veiled to many. You are testimony of the efficacy of the cross. In addition to that you are really an alien on this planet, and not really a by-product of the combination of DNA. As a temporary visitor here you will, in time, be removed to a place outside the cosmos. Your resurrected body will follow you at the end of the age. It will be marvellously transformed, magnificent and empowered.

The sacred task before you today, is to share with everyone you can, that God the Creator visited this planet in a human body. His short life on earth changes everything. While his body left the planet ((Lk 24:51) his Spirit remains and is active. This exciting story and revelation undergird all your teaching and lessons. Maths, art, reading, music and sports classes all glisten and bristle, every dusty corner of your room is invigorated and every moment because of this primal reality.

You hold the key, the grail that is the quest of so many people. So today you won't hide it in your pocket, you will hold it out in front of you as an acolyte does in a procession carrying solemnly a sacred object. It is to be at the forefront of everything in your day... proudly and intentionally placed there.

**1 Peter 2:11-12** Beloved, I urge you as aliens and strangers, to abstain from fleshly lusts, which wage war against the soul. Keep your behaviour excellent among the Gentiles so that...they may on account of your good deeds...observe them.

**Colossians 3:1-3** If then you have been raised up with Christ, keep seeking the things above, where Christ is, seated at the right hand of God. Set your mind on things above, not on the things of the earth, for you have died and your life is hidden with Christ.
