

I am not just a teacher

I am not just a teacher, I AM A GARDENER.

Mine is to sow and water the seeds of greatness in the future leaders entrusted in my care and to weed out all the ill habits that will hinder them from achieving their full potentials

I am not just a teacher, I AM AN ARTIST.

Mine is to paint beautiful pictures of a great future on the hearts of everyone that reports to me.

I am not just a teacher, I AM MENTOR.

Mine is to give these great future leaders the keys to success and to shine the light on the pitfalls along their career paths to success.

I am not just a teacher, I AM A BUILDER.

Mine is to build in them the principles, habits and lifestyle of greatness daily, one day at a time.

I am not just a teacher, I AM A ROLE MODEL.

Mine is to be a shining example of what true greatness can be.

I am not just a teacher, I AM A GREAT LEADER.

I am not just a moralist, I AM ONE WHO CARRIES AND MANIFESTS THE SPIRIT OF JESUS.
