God is truly amazing

Precise incubation

- the eggs of the potato bug hatch in 7 days
- those of the canary in 14 days
- those of the barnyard hen in 21 days
- those of ducks and geese hatch in 28 days
- those of the mallard in 35 days
- those of the parrot and the ostrich hatch in 42 days.

Notice, they are all divisible by seven, the number of days in a week!

The uniqueness of the elephant

God's wisdom is seen in the making of an elephant.

The four legs of this great beast all bend forward in the same direction.

No other quadruped is so made.

God planned that this animal would have a huge body, too large to live on two legs. For this reason, He gave it four fulcrums so that it can rise from the ground easily.

Front legs or back legs first?

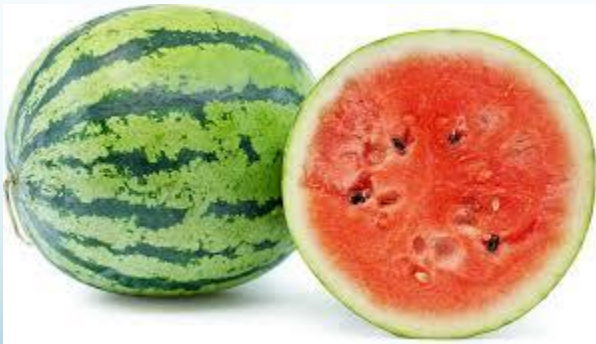

- The horse rises from the ground on its two front legs first.
- A cow rises from the ground with its two hind legs first. How wise the Lord is in all His works of creation!

Sections and segments in plants

God's wisdom is revealed in His arrangement of sections and segments, as well as in the number of grains.

- Each watermelon has an even number of stripes on the rind.
- Each orange has an even number of segments.
- Each ear of corn has an even number of rows.

- Each stalk of wheat has an even number of grains.
- All grains are found in even numbers on the stalks, and the Lord specified thirty-fold, sixty-fold, and a hundred-fold - all even numbers.
- Every bunch of bananas has on its lowest row an even number of bananas, and each row decreases by one, so that one row has an even number and the next row an odd number.

The waves of the sea

The waves of the sea roll in on shore twenty-six to the minute in all kinds of weather.

Consider the lilies

- God has caused the flowers to blossom at certain specified times during the day.
- Linnaeus, the great botanist, once said that if he had a conservatory containing the right kind of soil, moisture and temperature, he could tell the time of day or night by the flowers that were open and those that were closed!
- Matthew 6:28

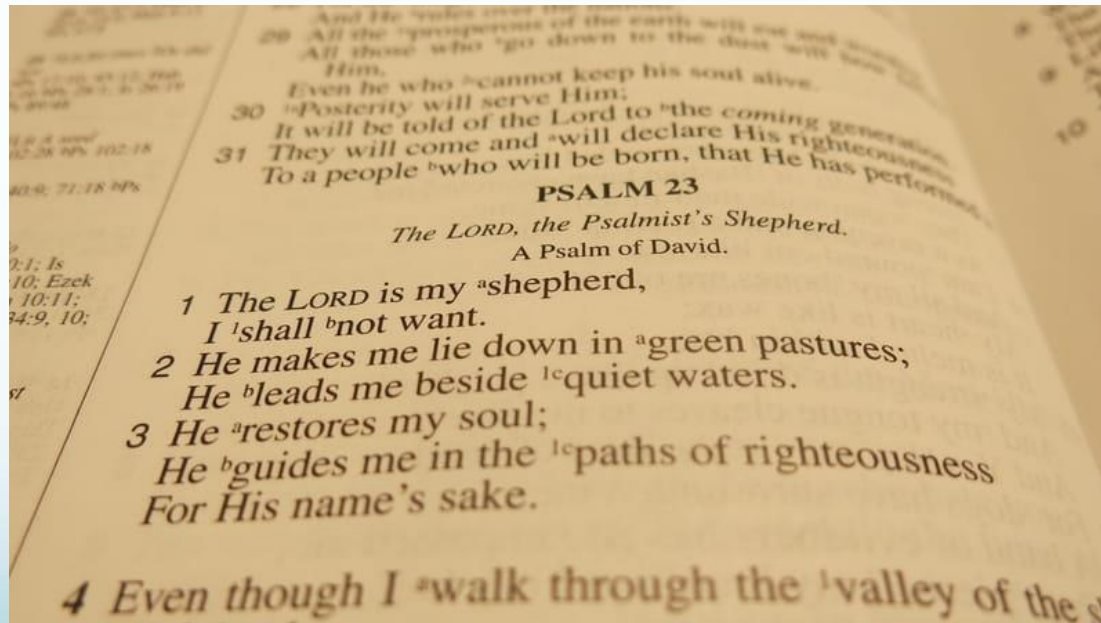

You are wonderfully made

- The lives of each of you may be ordered by the Lord in a beautiful way for His glory, if you will only entrust Him with your life.
- If you try to regulate your own life, it will only be a mess and a failure. Only the One Who made the brain and the heart can successfully guide them to a profitable end.

The Bible

When you carry "the Bible", Satan has a headache, when you open it, he collapses, when he sees you reading it, he loses his strength, AND when you stand on the Word of God, Satan can't hurt you!

Pointless without God

"Life without God is like an unsharpened pencil - it has no point."
