A poem for the reading helper to read:

God made me

God made a garden
He made a tree,
God made flowers,
He made me.

God made a man
To live by a tree
A tree in a garden,
God made me.

God made a woman
To live by a tree,
A tree in a garden,
God made me.

God made light
For us to see
The trees and flowers,
God made me.
God made darkness
For us to rest,
To rest in the darkness,
God knows best.
