

Let's look for dinosaur bones!

1

We could find bones of a Tyrannosaurus  
Rex,  
(Sounds like ty-ran-o-saw-us-rex)

2

or the bones of a Brachiosaurus,  
(Sounds like brac-i-o-saw-rus.)

3

or the bones of a Stegasaurus.  
(Sounds like steg-o-saw-rus.)

Level 11

4

When God made the world, He made dinosaurs on day six.

5

That was the on the same day that He made all the other animals and people.

6

That was just six thousand years ago.

7

Dinosaurs and people lived at the same time. But now dinosaurs are extinct.
