

1

There is only one of me.

2

I am special.

3

I can share with others.

4

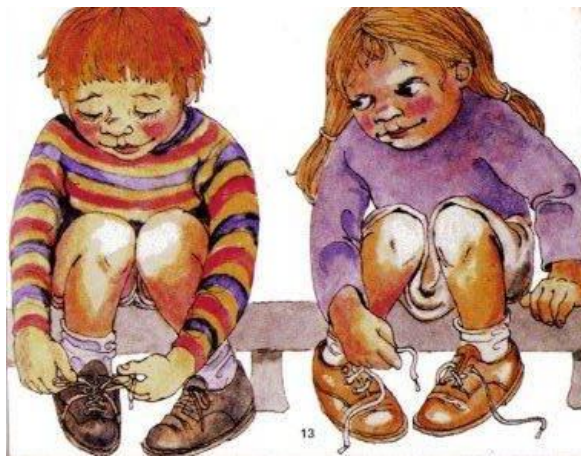

I can learn with others.

5

I can play with others.

6

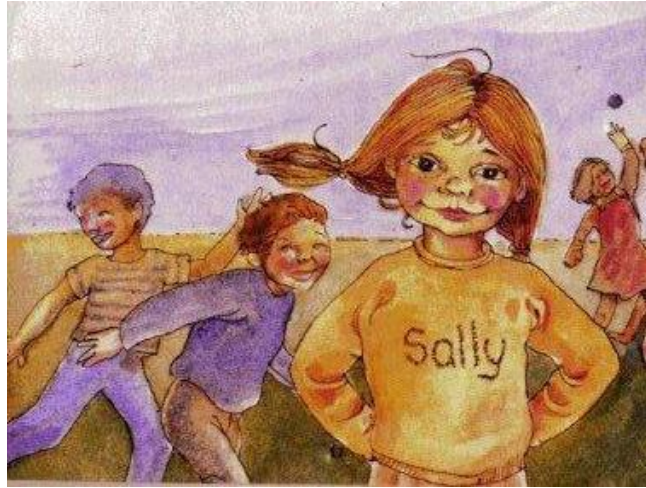

Other children can do some things better than I can.

7

But still I am special.

8

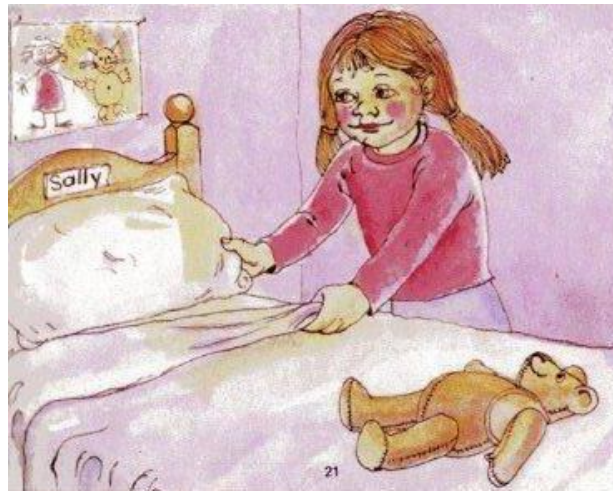

There is only one of me.

9

Only I can do the things I do.

10

I do these things the best I can.

11

I am proud of the things I do.

12

14

My Mum, my Dad, my brothers,
my sisters are all proud of me.

15

There is only one of me.
