

Oceans of Fun

1

Welcome to my island home, Fiji.
I love the world beneath the sea.

2

Our beach has lots of soft smooth sand,
with pretty shells to hold in your hand.

3

Under the ocean waves we will see,
Beautiful corals and fishes free.

4

Sea stars watch fish playing in schools,
darting in and out, while we are cool.

5

Graceful manta-rays float by, with flippers
like wings, they seem to fly.

6

Beyond the shore in the deep blue sea, the
turtles swim so peacefully.

7

They pass pretty pearls in oyster shells,
sparkly treasures we love so well.
