1

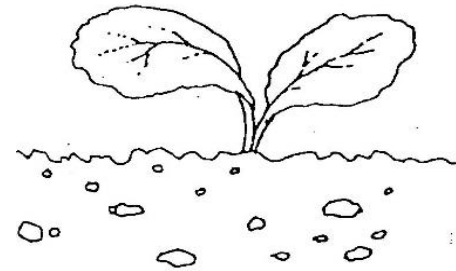

A man planted some turnip seeds. 2

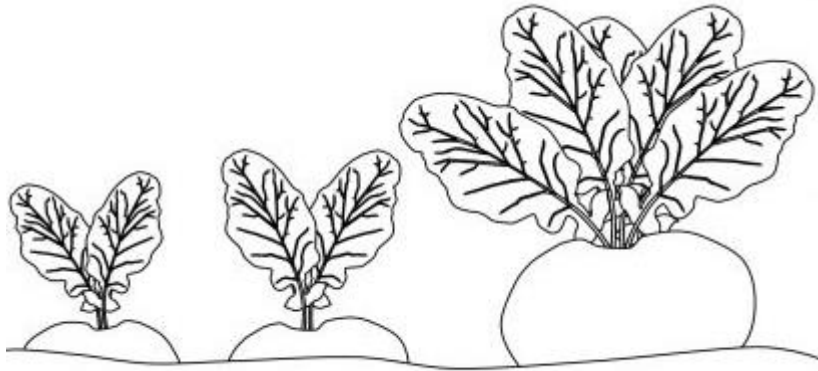

Up came one green leaf.

3

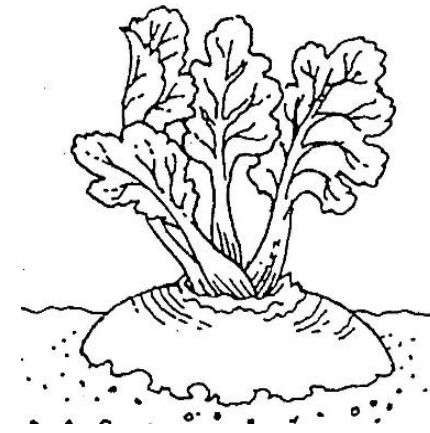

Then there were two green leaves.

4

The turnips grew and grew.

5

One turnip grew bigger than all the rest.
It was too big for the man to pull up.

6

So the man called his wife, his children,
his dog and his cat to help pull up the
turnip.

7

The man's wife made turnip soup.
