

God is Pure and Holy

Children can get a glimpse of God's purity by gaining an understanding of Heaven. This can be obtained by a study of Revelation 21 and 22. There in the Holy City we find references to streets of pure gold, water of life as pure as crystal, costly crystal clear jasper stone, other precious stones and the bright light of God's presence. (For a full study on this topic see *Themes for Christian Studies 4, Pure.*)

Topic: Heaven, precious metals and gemstones

Subject: The Holy City, using paint and collage materials including sequins to represent jewels.
