

# Jesus calms the storm

Matthew 8:23

**There was a big storm. There was  
wind and rain.**

**There was thunder and lightning.**

**Jesus and His friends were in the boat.**

**The boat went up and down.**

**Jesus was asleep in the boat.**

**The friends were very scared.  
"Wake up Jesus!" said the friends.**

**Jesus woke up. He stood up. Jesus said "peace" to the wind and waves.**

**The wind stopped. The rain stopped. The water was calm.**

**Jesus protected His friends. He  
will protect me.**
