

# A sick man

Mark 2:1-5

# A man can not walk

**His friends want to take him to  
Jesus on a little bed.**

**There are too many people at the  
house.**

**They can not get in.**

**They take the man up on the roof.**

**They make a hole in the roof.**

**They let the little bed down, down,  
down.**

**The man is in the house with Jesus.**

**Jesus makes him better. The man  
can walk!**
