

Lily and the eggs

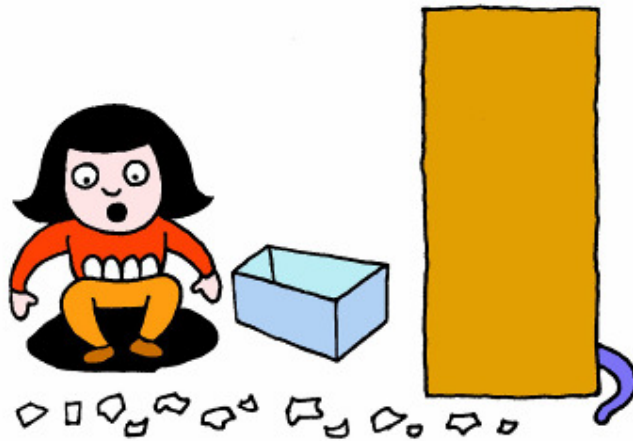

“Go and get the eggs Lily,” said Mum.
“They can go in this box.”

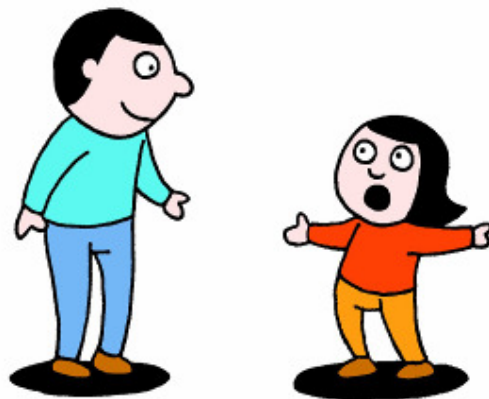

Lily went to see the hens.
Out came red Hen.

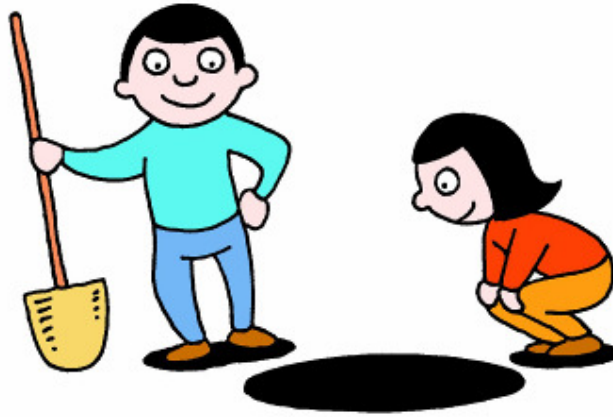

“Where are the eggs Red Hen?” asked Lily.
“Cluck cluck,” said Red Hen.

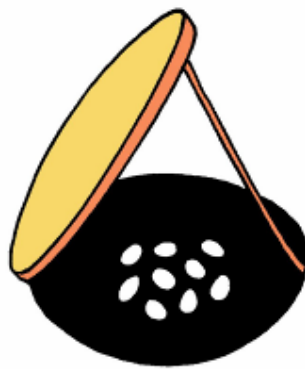

“Oh no!” said Lily. “Sneaky Snake has been here. Look at the egg shells!” There are only two eggs left.”

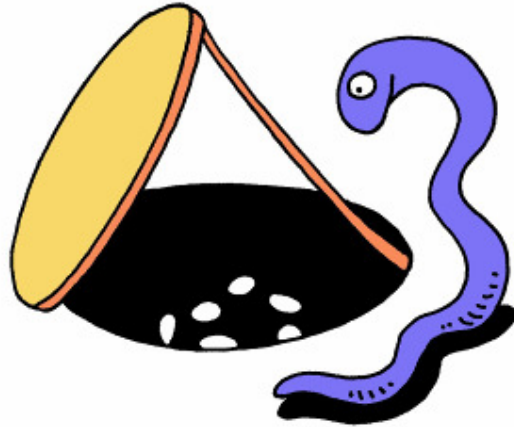

“I will get Dad to make a trap for Sneaky Snake,” said Lily

Dad dug a big pit next to the hen house.

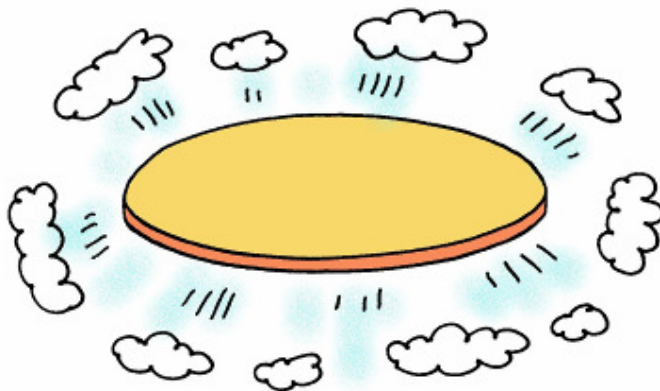

He put some eggs in the pit for Sneaky Snake.

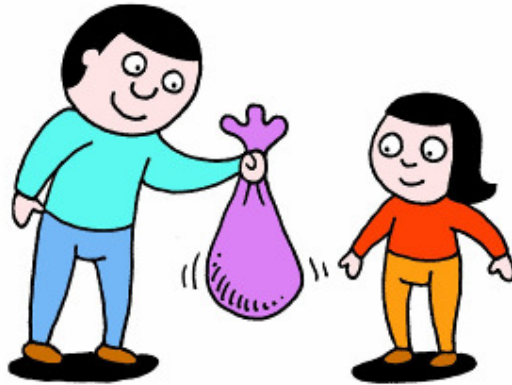

When Sneaky Snake came the next day he saw the eggs.

“Yum, yum,” said Sneaky Snake.

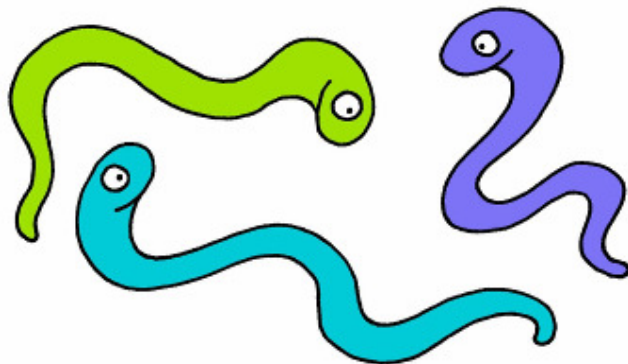

Sneaky Snake set off the trap that Dad had made. A big lid came down on top of the pit.

Dad came and got Sneaky Snake with a big stick and a bag.

Into the bag went Sneaky Snake. Dad took Sneaky Snake to the zoo.

Sneaky Snake likes it at the zoo. He has lots of snake friends. He gets insects but he cannot get eggs. Lily is glad and so is Red Hen.
