

Ideas for lower primary

(second / third years of Primary school)

Mathematical sentences and basic properties / operations

Use Bible stories for:

Grouping / multiplication

Make a group of the following:

animals from Noah's ark:

groups of 2

groups of 7

Loaves and fish – group the flood left over

e.g. 5 loaves in each basket – How many loaves in two baskets?

Addition

Noah's ark

2 elephants plus two lions. How many animals?

7 sheep plus 7 goats. How many animals?

Counting

Count by 2's – animals in Noah's ark

Counting backwards – The 12 disciples – count them backwards
