

Laws, Rules and Customs

1. Rules

Rules are made for a group of people to follow, to keep things running well. For example: school rules, sports rules, family rules.

Make a chart and write some rules under each heading:

| School Rules | Sports Rules | Family Rules |
|--------------|--------------|--------------|
| | | |

2. Laws

Laws are made by the government and affects everybody in society. For example: Do not kill other people.

Make a chart and list some Laws of your country. Include Traffic laws.

| Rules of our country | Traffic Laws |
|----------------------|--------------|
| | |

3. Customs

A custom is a tradition that people follow in a particular society. For example: Giving Easter eggs at Easter. Different groups of people follow different customs.

Make a list of some customs of your family and friends.

| Customs we follow |
|-------------------|
